ABOUT US

These groups of Alcoholics Anonymous attempt to maintain a tradition of free expression, and conduct meetings where alcoholics may feel free to express any doubts or disbeliefs they may have, and to share their own personal form of spiritual experience, their search for it, or their rejection of it.

We do not endorse or oppose any form of religion or atheism. Our only wish is to assure suffering alcoholics that they can find sobriety in A.A. without having to accept anyone else's beliefs or having to deny their own.

These A.A. meetings do not open or close with any prayer.
